17. Main types of control or supervision that you perform over your children

regarding their use of the Internet (select all the options that apply):

- Observation of what they write/do
- Reading / accessing pages visited
- The father/mother talks / asks their children directly
- The father/mother recommends how to surf in general
- Having a look / checking the surfing history
- General control over what is done (without being specific)
- Checking the identity of the contacts/people with whom conversations are held
- The son/daughter comments on or shows their use on their own will
- Establishing filters and/or automatic supervision controls
- Reading conversations / e-mails
- Time control / limit spent surfing the net

- The father/mother trusts their children fully
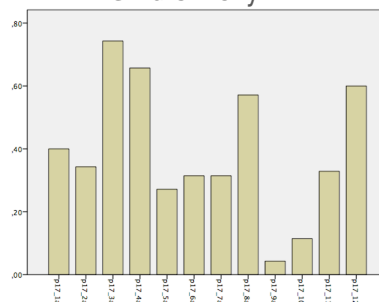

18. What possible risks or threats can your children's participation in online social networks have? (select all the options that apply)

- General and/or personal data infringement
- Impersonation (adults who pretend to be children/youngsters)
- Access to inappropriate contents (for adults, pornography, etc.)
- Establishing contact with dishonest people, with bad intentions…
- Potential frauds / tricks
- Stalking by pederasts/pedophiles

- Dissemination of personal pictures without permission
- Overuse and addiction
- Harassment and menaces / cyberbullying
- The presence of insults, curse words, etc.
- Tricks to youngsters / children from adults
- Technical dangers, viruses
- The plain potential to be threatened or to be at risk
- Threats to privacy in general
- Economic risks and frauds
- None
- No answer / Don't know
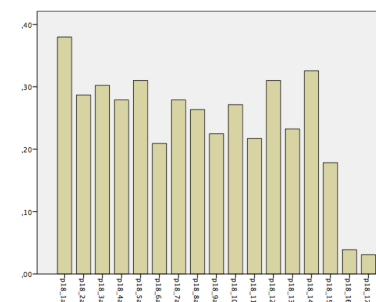

19. Has any of your children ever suffered any of these problems or threats on the Internet?

- Addiction or overuse
- Access to certain inappropriate contents
- Threats to privacy
- Establishing contact or being stalked by other people / adults
- Sexual harassment
- Any economic risk
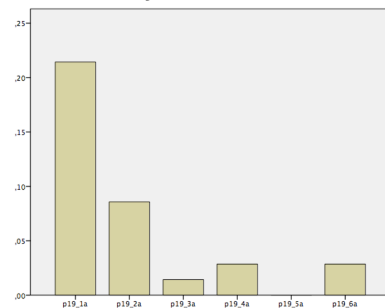

20. If in the former question you have selected one or more of the options available, what did your child/-ren do? (Select all the options that apply)
    - Stop the connection, close the program, page, etc.
    - Resort to a friend
    - Ask their parents
   - Turn off the computer
    - Solve it

- Control the pages they visit more carefully
- Nothing
- No answer / Don't know
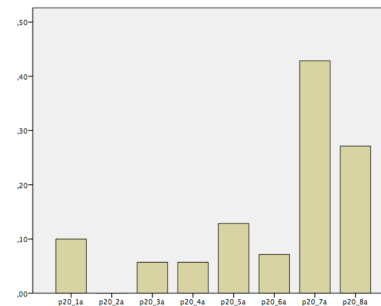

21. If you have selected one or more of the options available in question 19, what did you, parents, do? (select all the options that apply)
    - Limit the use of the Internet
    - Prevent your child/-ren from using the computer / threaten to disconnect it
    - Punish your children without being able to use the Internet
    - Tell off / Punish
    - Establish times of use
    - Talk about / discuss the issue
    - Help the child/-ren
   - Block the computer to prevent any use

- Nothing
- No answer / Don't know
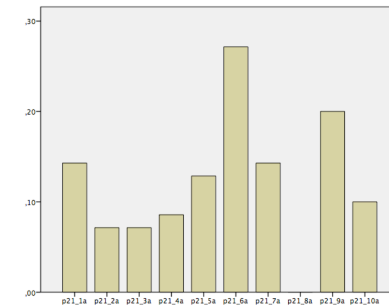

22. The effects of the participation of your child/-ren in social networks. Do they have any positive effect? (select all the options that apply)
    - Keep in touch with their family
    - Be able to communicate with relatives who live far away
    - Improve / Increase the communication among relatives
    - Search for useful information for the family
    - Share entertainment
    - Be in touch with the family during trips
    - Share information with other relatives
    - Improve the relationship between parents and children

- Help to establish relationships with more people in general
- Showing things / new things to parents
- Others
- No answer / I don't know
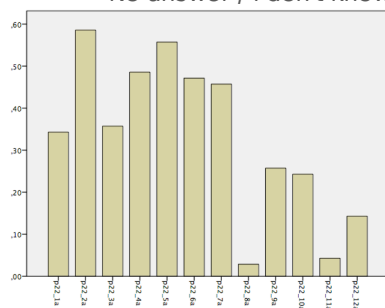

23. The effects of your children's participation in social networks, do they have any negative effect? (select all the options that apply)
   - Harmful for your sight
   - Sedentary lifestyle / spends much more time sitting
   - Quit doing sport
   - Addiction
   - Problems to establish relationships with others
   - Waste of time
   - Backache / spine ache / neck ache

- Overweight
- Headache
- Psychological harm
- They forget to eat or drink
- Access to inappropriate pages / sites
- Anxiety / stress / nerves
- Tiredness / insomnia
- Procrastination
- Others
- No answer / Don't know
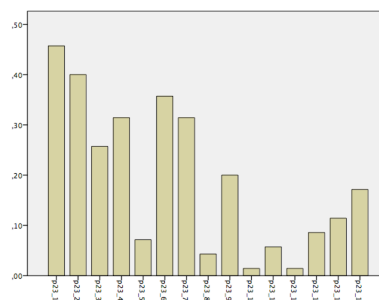

24. If you have a cell phone, do you use it during work time? Yes / Never / Yes, sometimes
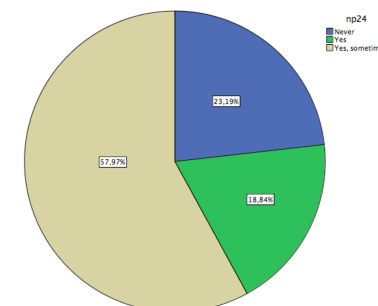

25. Generally speaking, do you consider that your child/-ren have the same amount of knowledge as you regarding the Internet, applications, social networks and devices? Yes / No

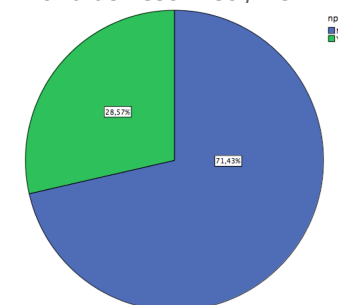

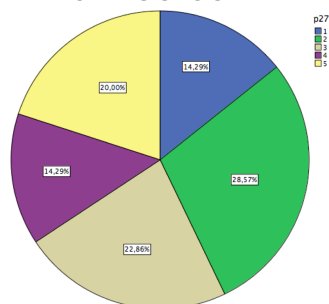

26. If you have answered 'No' in the former question, do you think that they have a better or a worse level than yours? Better / Worse
